RUBBER PARTS CATALOGUE

FOR PASSENGER & LIGHT COMMERCIAL VEHICLES

www.teknosa.co.za

ABOUT US

Teknosa Automotive is one of the leading suppliers of Automotive Spare Parts in Southern Africa. Our product range is by far the most extensive. Our range extends to all vehicles in SADC countries. We are constantly developing new applications, to meet the demands of the aftermarket industry which is a key success factor for driving our growth.

ABOUT OUR PRODUCT

Our attention to even the smallest detail has made our brand synonymous with Quality & Reliability, making our brand the most popular, by choice.

BRAND QUALITY

Our Automotive Spare Parts are engineered and manufactured in accordance with the highest quality manufacturing standards. Automotive Spare Parts our state of the art production facilities feature technologically advanced, ultra-precision equipment and integrated operations to deliver our brand of quality for most vehicle applications.

All Teknosa Steering and Suspension Parts are manufactured by **ISO/TS 16949** and **ISO 14001** accredited manufacturers.

DISCLAIMER

The information listed here-in have been compiled to the best of our knowledge and from reliable sources and, is for reference and guide purposes only. Teknosa Automotive cannot be held responsible for errors and interpretation. E&OE

WARRANTY

Our brand is sold with a 12-month warranty against manufacturing defects and malfunction, provided that our product is fitted by accredited fitment centres and qualified technicians. This warranty does not extend to normal wear & tear, neglect and damage.

“The Contents of this catalogue are protected by copyright. Unlawful use of the contents will result in prosecution.”

All Teknosa Rubber Parts listed, sold or supplied is offered and sold as replacement parts only.
